## LEST WE FORGET!

Over 2,000 Democratic Precinct Election Boards, 119 Democratic County Election Boards, and a solidly Democratic State Election Board—every one the creation of Mr. Goebel or his agents—certified to the following vote cast at the election held in Kentucky on Tuesday, November 7th, 1890—

William S. Taylor.....193,714  
William Goebel.....191,331

Taylor's Plurality.....2,383

The Goebel Law is the most fitting monument that GOEBEL could have.

The repeal of the Goebel Law by the men who have become its beneficiaries is a wanton insult to the memory of GOEBEL.

If all the money that has been wasted on Missions in China had been applied at home, each state might have had more Colleges and fewer Workhouses.

WHEN one considers how Chinese subjects have been treated in this "land of the free and home of the brave," Uncle Sam hasn't very strong grounds to declare war against the pigtailed.

STRANGE that no one at Kansas City has suggested our good friend CHARLIE FOXNITZ for that Vice-Presidential plum. CHARLIE is not only in favor of 16-to-1, but he has shown wherein 1 is greater than 193,714.

THE Editor of The Schlesische Zeitung, printed in Berlin, in advocacy of a German army for transmarine service, uses the argument that—

"Some time a massacre of Germans may occur in the United States."

That chap had best never venture over here, lest he find his way into the nearest Lunatic Asylum.

THIS isn't the first Chinese outbreak against "the foreign devils." It began against the Catholics in 1292, and again in 1586. The first Protestant Missionary reached China in 1807. Since that time there have been numerous uprisings, that of Taiping alone, 1850-64, costing the lives of 20,000,000 Chinaman. First and last, the loss of life and property has been astounding. Well may it be asked, Is it possible that the evil resulting from Christian proselyting—the numerous massacres and destruction of millions of dollars' worth of property—has overbalanced the good? It is easy to understand the Chinaman's antipathy by imagining what Christians would do if the pigtailed swarmed to America, built idols and temples and earnestly worked to "convert" the Yankee "barbarians."

CARL SCHURZ, who held office almost continuously under Republican Administrations for thirty years, and when he couldn't get any more became a dog-in-the-manger, has broken loose again.

He is now criticising President McKINLEY pretty much as he criticised President LINCOLN; and in this connection the following letter from Mr. LINCOLN to the carping CARL will be instructive to the present generation. It was written by the martyred President November 24th, 1862:

"I have just received and read your letter of the 20th. The purport of it is that we lost the late elections and the Administration is failing because the war is unsuccessful, and that I must not flatter myself that I am not justly to blame for it. I certainly know that if the war fails the Administration fails, and that I will be blamed for it, whether I deserve it or not. And I ought to be blamed if I could do better; and, therefore, you blame me already. I think I could not do better; therefore, I blame you for blaming me. I understand you now to be willing to accept the help of men who are not Republicans, provided they have 'heart in it.' Agreed. I want no others. But who is to be the judge of hearts, or of 'heart in it'? If I must discard my own judgment and take yours, I must also take that of others; and, by the time I should reject all that I should be advised to reject I should have none left, Republicans or others—not even yourself. For, be assured, my dear sir, there are men who have 'heart in it' that think you are performing your part as poorly as you think I am performing mine."

BRYAN appears to be the whole Democratic party—and he's a Populist.

BRYAN without Free Silver would be a dog without a tail, and Free Silver without BRYAN would be a tail without a dog.

There is no longer any excuse for anyone to endure the torture inflicted by piles when Tabler's Buckeye Pile Ointment will cure them, a remedy so moderate in price and so effective. Price, 50 cents in bottles. Tubes, 75 cents. J. Jas. Wood & Son.

The School Trustees of Dover have elected these teachers for the Public School there: Superintendent, Clarence Martin; Intermediate, Miss Bettie Hanna; Primary, Miss Ethel McMillan.

If the stomach, liver and bowels fail to perform their functions regularly and naturally, the blood becomes contaminated with impurities, and the whole system is in consequence debilitated. Herbina is remarkable for its efficacy in curing the ailments of summer, and the disorders prevalent during hot weather. Price, 50 cents. J. Jas. Wood & Son.

And we know that you know that we don't know it, and still you don't tell us. Now, if you tell us what you know then we'll tell what we know and also what you know, and then our readers will know what they know and what we know and also what you know, and what we know that you know we know you know.

## DON'T LEAVE THE CITY.

Plenty of Proof Right Here in Mayavick.

Claim is one thing, proof is another. Columbus claimed the world was round.

Did people believe it? Not until he proved it.

Unproven claims have made the people skeptics.

Every claim made for the "Little Conqueror" is proven.

Proven in Mayavick by local experience.

Here is one case from the many we have:

Mr. C. H. Cooper of 219 West Second street says:

"For many years I suffered from attacks of kidney trouble, and had reason to think I was fast drifting into Bright's disease. I had the great good fortune to learn about Doan's Kidney Pills and procured them at J. Jas. Wood & Son's Drugstore. The remarkable benefit I obtained from the treatment is a guarantee of the marvelous value and effectiveness of Doan's Kidney Pills."

For sale by all dealers; price 50 cents a box. FOSTER-MILBURN Co., Buffalo, N. Y., Sole Agents for the United States.

## THE COMMONWEALTH.

### PREVENTED ARREST.

A Young Man Shot and Killed By His Father-in-Law While Resisting Arrest.

Brooksville, Ky., July 6.—Robert Yates, a well-known young man, was shot and killed by his father-in-law, Thomas Kinney. For some time they have been enemies, and Yates had threatened to kill Kinney and also his son, George B. Kinney, who is a prominent young attorney of the Bracken Bar association.

About 10 o'clock at night Yates returned home, after a trip down town, and soon after his arrival home, it is said, he had a quarrel with his wife and made some threats, which were overheard by some near-by neighbors. An officer was sent for, and Tom Kinney, who is city marshal, started with Mayor Bradford to make the arrest. It was a little after 10 o'clock when they arrived at the home of Yates. As soon as he saw Kinney and Bradford he drew his pistol and fired, but missed. He attempted to fire again, but by this time Kinney had fired the fatal shot. The ball penetrated Yates' heart. Kinney surrendered to County Judge Minor.

Mrs. Yates, the only daughter of Kinney and the wife of the murdered man, is almost prostrated with grief.

### McCHORD BILL ASSAILED.

Railroads Ask For an Injunction Against the State Board of Railroad Commissioners.

Louisville, Ky., July 6.—A suit to test and, if possible, break the McChord railroad law, which now controls all railroads in Kentucky, was filed in the federal court by the Louisville & Nashville, Southern Railroad of Kentucky, Louisville, Henderson & St. Louis and Chesapeake & Ohio.

They ask for a temporary injunction against the state board of railroad commissioners, composed of McChord, Dempsey and Wood, and ask that this be made perpetual on its hearing. They ask that the McChord bill be declared invalid, alleging it is contrary to that part of the federal constitution which gives congress sole control over interstate commerce. Subpoenas and date for hearing are also asked.

### KENTUCKY'S TAX DUPLICATE.

The Assessed Value of Property Is \$574,867,064—Income Will Be Less Than Last Year.

Frankfort, Ky., July 6.—The state board of equalization filed its report with the auditor. The grand total assessed value of all property subject to equalization is \$574,867,064. While this is an increase of about \$10,000,000 over the assessment of last year, the amount of tax to be realized will be \$226,000 less than last year, owing to the decrease of the tax rate from 32½ to 47½ cents, besides which the assessment of shares of stock of national banks also falls short, knocking the state treasury out of about \$100,000.

The report shows that there was raised in the state upward of 1,250,000 acres of corn last year.

### Woman Whipped By Whitecaps.

Elizabethtown, Ky., July 6.—Mrs. Sallie Scott, of Eastview, was taken from home by whitecaps and whipped with switches until blood trickled to her feet and she was unconscious. Mrs. Scott has sworn out warrants against her husband and her brother, and they are being tried before Magistrate Goodan. Her son says she is mistaken in her identification. The cause of the whipping is not known.

### Witnesses in the Powers Trial.

London, Ky., July 6.—Many subpoenas for witnesses in the cases against Caleb Powers and others, charged with complicity in the murder of Goebel, have been sent here. Miss Lucy Brock, aged 23, sweetheart of Powers, was summoned for the commonwealth. The prosecution thinks he talked freely to her prior to the killing of Goebel by an unknown.

### Noakes Released From Jail.

Frankfort, Ky., July 6.—According to the agreement with County Attorney Polsgrove, Robert Noakes, under arrest for complicity in the Goebel assassination, was released from jail, but will remain in the custody of a deputy sheriff till after the Georgetown trials, when he will be given an examining trial.

### Warrants Issued for Rioters.

London, Ky., July 6.—Germans of Laurel county celebrated the Fourth at Strausburg, three miles west. Thirty-eight fights occurred, and many pistol shots rang out, but there were no fatalities. Fifty warrants have been issued for the rioters.

### Held for Trial.

Hopkinsville, Ky., July 6.—James Dudley Ware, charged with shooting Rev. Dr. Walker K. Piner, June 19, with intent to kill, waived examination Thursday and was held over to September term, on his own recognizance, the bond being \$1,000.

### Both Began Shooting.

Greenville, Ky., July 6.—At Powderly, Lewis Calvert and Charley Rogers engaged in a row over a bottle of ale. Both began shooting. Calvert's left arm was shattered below the shoulder, and Rogers was slightly hurt. Calvert will die.

### Started a Fire With Coal Oil.

Louisville, Ky., July 6.—John Coffee started a fire with coal oil. It exploded. He jumped into a pond and extinguished his clothing, but was so badly burned he will die.

News, news, news! It's enough to give a man the blues. Nobody married and nobody dead; nobody broken an arm or a head; nobody came in to talk of the "crap"; no one got boozed and started a scrap; no one got run in for taking a horn; nobody buried and nobody born. Oh, for a racket, a riot, a fuss! Someone to come in and kick up a muss; someone to stir up the peace-laden air; somebody's comment to give us a scare. Somebody thumped within an inch of his life; somebody run off with another man's wife; someone come in and pay up their dues; anything, anything, just so it's news.
